**WITH NATIVE ARABIC SPEAKERS**  
**MONDAYS, 6:00 - 8:00 P.M.**

**FREE FOR STUDENTS ENROLLED IN AN IIT  
COURSE; \$10.00 per semester for others**

Studying the Arabic Language in the Western world has always been a challenge, primarily because of the lack of immersion in an environment where there is Arabic everywhere.

While we cannot replicate this environment, the Arabic Language Café is a novel concept for students of the language to engage in conversation with Native Arabic speakers in an informal environment.

Through conversation, mentoring, engagement with Arabic media, songs and lectures the student will be able to build proficiency in the language.

**PREREQUISITE:** A basic understanding of some Arabic is necessary to benefit from the sessions

**COST:** FREE for IIT Students; \$10.00 per semester for others

**Are you a native Arabic speaker? Would you like an opportunity to facilitate a discussion with others who wish to learn to speak your language? If you do, then please let us know and we will work with you to develop a unit for the language café.**
