My Dear Brother/Sister:

Assalamu Alaikum.

I pray that this correspondence reaches you and your family in the best of health and renewed faith in Allah. The last couple of years have been a challenge. The pandemic has caused us to reflect on our lives and to rethink our priorities. We have lost a number of community members due to Covid-19. It is regrettable that we were unable to visit with families and participate in their last rites, as we are taught by Allah's messenger. For those of you who have experienced such losses, our duas are with you; for others who may be ill, we ask Allah to bestow His mercy on you.

Thanks for your contribution to the Islamic Institute. Please find enclosed your 2021 receipts. Please check to ensure that the amount on the receipt corresponds with your records. If there are discrepancies, please send an e mail to [finance@islam.ca](mailto:finance@islam.ca). We are indeed grateful for your support. Despite the fact that we haven't been able to provide a full array of in-person programs, we still incurred expenses related to the maintenance and operations of the building, retrofitting to offer quality on-line programs, etc. We've also partnered with a number of international charitable organizations to offer support to those in need in Canada and abroad.

Alhamdulillah, it looks like we've turned the corner on the Covid-19 virus. While we still have to adhere to public health guidelines to safeguard our community, it seems we may be able to gather for in-person prayers during the Blessed Month of Ramadaan. The nature of these gatherings and the rules associated with attending prayers and other activities during Ramadaan are still being worked out. I would encourage you to keep checking our website [islam.ca](http://islam.ca) for updates.

Thanks again for your continued support.

Yours truly,

Fareed Amin
