All praises belong to Allah, the Lord of the Universe, and may He send Peace and Blessings on the best of creation, al-Mustafa (Peace and Blessings be upon him.)

Let's Recap

Assalamu Alaikum wa Rahmatullahi wa Baraakatuh. This week has been rewarding as we learned how to grow compassion for our environment and fellow campers. Our theme of 'Nature' allowed us to partake in projects such as planting, creating landscape art, and exploring marine ecosystems during our trip to Ripley's aquarium. By sharing verses from the Quran, we learned about animals significant to Islamic history. Through the hadith of the prophet Muhammad Sallallahu Alaihi Wasallam, we discussed how to appreciate and take care of nature and other living beings. Our spirit day included class scavenger hunts that fostered collaboration and ended with prizes. The Youth Camp also went on a trip to the Bowling Alley this week to enjoy some competition.

Our main takeaway from this week was to reflect on the natural elements around us and assist in conserving our environment.

Upcoming Fieldtrip

On Thursday, we will go tree-top trekking. Older campers will learn skills such as zip lining, and the other groups will enjoy activities like trampoline routes.

Trip information and forms will go out on Monday, inshaAllah. If you do not wish to send your child on a field trip, we will have counsellors at IIT to engage them in regular activities. We cannot ensure siblings will be placed in the same group during the trips.

Ensuring everyone has a safe & fun time at camp is very important to us. IIT Summer Camp is a nut-free zone. We are asking all parents to avoid items such as peanuts, cashews, hazelnuts, almonds, pistachios or anything containing nuts and seeds. Please also avoid sending items containing coconut and shrimp. If your child is in need of an EpiPen, please ensure they bring it every day and keep it with them at all times.
