WEEK 2

## IIT CAMP 2025!

All praises belong to Allah, the Lord of the Worlds, and May His Peace and Blessings be upon the best of creation, Prophet Muhammad ﷺ (Peace and Blessings be upon him).

**Assalamu Alaikum wa Rahmatullahi wa Barakatuh!**

Alhamdulillah, we've wrapped up another exciting and blessed week at our Summer Camp! Last week's theme was "Creations of Allah Ta'ala", and what a beautiful journey it has been! Our campers spent the week marveling at the countless signs of Allah's power and mercy. From the glowing sun, shining moon, and twinkling stars to the animals, plants, and the earth beneath our feet – we reflected on how everything around us is a reminder of Allah's greatness.

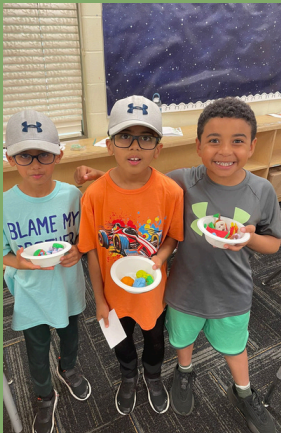

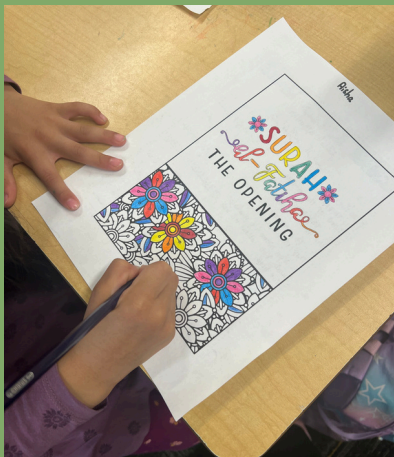

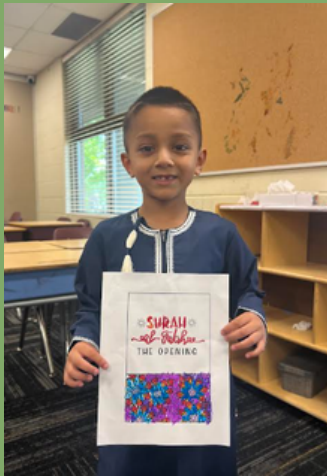

Our Spirit Day was full of energy and excitement with a Scavenger Hunt, where campers searched for items from nature and reflected on the unique creations they found. Midweek, the fun continued with an unforgettable field trip to Neilson Park!

The campers had a blast with water play, an epic water gun fight, and outdoor sports under the sun.

It was a week full of learning, laughter, and gratitude for Allah's amazing creations. We look forward to another fun-filled and inspiring week ahead, Insha'Allah!

## This Week's Theme: Allah's Wonders in the Sky

This week, our campers will embark on a journey through the skies, exploring the amazing creations Allah Ta'ala has placed above us! Campers will discover how the phases of the moon help us track the Islamic months and how the lunar calendar guides our special days of worship and celebration. By the end of the week, we hope each camper will look up at the sky with a new sense of wonder, gratitude, and understanding of how Allah's signs guide us every day!
